Location:

Pinhal Novo is a city in Portugal located on the Setúbal Peninsula, halfway between Lisbon and Setúbal. It is a parish of the Municipality of Palmela. It is served by two motorways connecting Lisbon to the South and by the railway station that allowed residents to connect directly to the Lisbon metro network in 38 minutes. It is located near the Arrábida Natural Park and many of its facilities, such as shopping centers. The city is undergoing continuous growth and has expanded from a small village a few years ago to a planned city that benefits from new infrastructure and urbanization plans do not allow for large constructions, which contributes to a certain quality of life.
